Dear Mr. Herron:

Thank you for your letter of support by Prince George's County to the adoption of the National Incident Management System (NIMS) as the State standard for incident management. The participation of our local partners is vital to the effective implementation and utilization of a comprehensive National Incident Management System (NIMS).

Thank you for your continued support of emergency management in Maryland.

Sincerely,

Dear Director Droneburg:

Prince George's County developed its implementation plan for the National Incident Management System (NIMS). Ruth Vogel instructed our former point of contact, Ms. DeLaine Yates, that the state would be presenting protocols that the local jurisdictions would need to follow to ensure compliance.

Our website was scheduled to be operational, unfortunately, we have been unable to access that site or receive comprehensive direction concerning the compliance needs. Our new Program Manager is Ms. Muriel Y. Weatherly. Please forward any and all pertinent information concerning NIMS to Ms. Weatherly in our Office of Homeland Security. She can be reached at 301-883-3300 or [myweatherly@co.pg.md.us](mailto:myweatherly@co.pg.md.us).

Thank you for your continued support and assistance.

Sincerely,
