

PSIP SUMMIT 2020

"To shape a more resilient Maryland where the private sector thrives"

You are cordially invited to the Maryland Emergency Management Agency's PSIP Summit 2020, Maryland's exclusive networking event designed to provide local businesses with the opportunity to further develop their resiliency & mitigation techniques in conjunction with public and private sector partners.

You will have the valued opportunity to:

- ◆ **Engage** with public sector leaders for exclusive access to information on state resiliency projects.
- ◆ **Cultivate** business-to-business information sharing and collaboration.
- ◆ **Learn** about available grant funding that will foster the advancement of new projects and proposals.
- ◆ **Strengthen** relationships at the local level; put faces to names and share expectations!
